

TOWN OF GARRETT PARK 2009 PARKS SURVEY

The Parks and Open Space Committee is conducting a survey to get input and feedback from residents about needs for park improvements and suggestions to enhance the use of park spaces. Our committee's role is to provide recommendations to the Town Council on issues related to parks and open space in Town. We intend to use the survey feedback to assist us in setting priorities for planning future parks improvements.

The survey questions include both parks owned by the Town of Garrett Park and those parks within Town limits owned and maintained by the Maryland National Capital Park and Planning Commission. Although two of the parks are not owned by the Town, the Town works closely with the County Parks Department on issues related to maintenance, alteration and improvement of those areas.

There are three ways you can complete in this survey:

1. Go to the Town of Garrett Park web site at www.garrettpark-md.gov where you will find a link to complete and submit the survey,

or

2. Use the following electronic link yourself:
<http://www.surveygizmo.com/s/137016/parks-survey>,

or

3. Complete this paper survey and drop it in the survey collection box at the Post Office. Extra copies are also available at the Post Office.

We encourage all family members in every household to complete and submit a survey. Please submit your survey by Saturday, August 15th. We will then begin tabulating the results.

We look forward to hearing from you!
